If you work 6 days of the Canadian Nationals between January 30th and February 13th you qualify for the Karbon Poncho.

If you work 4 days of the World Cup between January 30th and February 24th you qualify for the World Cup Jacket.

Distribution of the World Cup Jackets will commence on February 14th. Those leaving before February 14th can complete a form for the coordination of obtaining your jacket. Forms can be found in the Beer Tent or at morning check in.

Report from Owen... What another great day and effort from all Weasels! Thanks very much to everyone for a great job done in getting the Men's DH off Saturday. There was a fast transition to the next race but the window of opportunity was lost and the Women's Slalom did not run.
