Report from Owen Carney...What an incredible effort by all Weasels to get the track ready for Thursday's training run. There was a late start to the day with the cats pushing out the 25 cm of snow and the racers slipping the track. By 12 Thursday we were ready for training but the we fought the fog and weren't able to finish a training run. 6 cats will be on the track Friday morning at 3 am as we are planning on a Ladies race and a Men's training run. Thanks for such tremendous efforts by all!

The Millers...

"Well Joyce, how would you like to spend your 45th Wedding Anniversary on Friday?"
"Bob, I only need two things. Nothing would make me happier than to help the Weasels on a race day by giving them hot soup for lunch."
"And what else Joyce my dear?"
"Diamonds."
