

## 2010 Weasel Golf Tournament

The weather was chilly & rainy but it couldn't keep the Weasels from turning out in record numbers for the Annual Weasel Workers' Golf Tournament on Saturday, April 24th. Eighty-two golfers signed up, with 78 being the final number who teed off to vie for the not-so-coveted trophy. Thank you to Brian Avey and the pro shop staff of the Squamish Valley Golf Club for your flexibility and accommodating us with so many golf carts.

This year's winners with the score of 3 under par was the team of section chief & son Boris & Jason Duff, cat-driver Matt Pearce & new-comer Salina Beaudoin. Ladies' longest drive was hit by Deni Hunter with closest to the pin for ladies captured by Petra Mikova. On the men's side, Canadian Paralympian Matt Hallet swung the longest drive with Boris Duff grabbing closest to the pin. You would think Boris has had as much practice time on the links as the Toronto Maple Leafs, the way he golfer this year.

Golf was followed by a BBQ and the Annual General Meeting at Owen Carney's house. Thank you to Owen for allowing us to take-over his home every year to host this event. High praise also goes to Don Apelle and his team of helpers who organize, cook, setup and clean up the food & bar for the hungry hundred weasels. The food was scrumptious. Once again our friends at the Whistler Brewing Co helped out with some cold beer and Rod McLeod donated a couple cases of VANOC label wine.

Event organizer Maria Cecutti is thankful to all her fellow Weasels who helped gather prizes from local businesses and those who donated prizes themselves. Big thank you Jim Cook & Lisa Ferguson who helped organize the prize table. Please check out all of our sponsors at the bottom of this page and be sure to thank them when you visit their business.

As usual we kept the formal Annual General Meeting short. Alpine Chair Owen Carney started with a round of thanks for this year. It took a lot of effort but we did it and the Games were something of which we can all be very proud. He also announced that we have been asked to play an increased role at Whistler Cup in April next year. There is also a possibility of doing the NorAm Cup Finals in late March.

Our President Patrick Maloney changed his usual introduction and started with "My name is Patrick Maloney and I hate golf." He thanked everyone involved with Weasel House. As hoped, it became the place for alpine race volunteers and Weasel House broke even! Yeah! The best announcement he saved for last; we have changed our name. Just prior to the meeting we signed the paperwork to officially become The Whistler Weasel Workers.

Board members for the next year are Patrick Maloney - President, Murray Wood - Vice President, Gerry Longson - Treasurer, Cindy Burton - Secretary, Carleigh Whitman and Phil Hunt – Board Members at Large.

If you would like to join in the fun next year make sure you are signed up for the newsletter with your current e-mail address. The usual date for this event is the last Saturday in April or the first Saturday in May. You can always find info here on the Weasel Workers website.
