

We would like to invite you to join us on December 12, 2009 @ 7:00 pm for our WMSC Epic Winter Kick-Off Party and Auction at the Whistler Conference Centre. We have decided to bring our annual dinner auction back to Whistler and make it a time of celebration and reunion for all.

The event marks the start of what promises to be a memorable season. In this special year, we're putting together a special event and are planning a fantastic night filled with fun, laughter, stories of years past, anticipation of the future, and excitement for the 2010 Olympics. We're excited to share the evening with current members, alumni, weasel workers, members of the local community and anyone interested in supporting our young ski racers.

This year's Epic Winter Kick-Off Party and Auction promises to be spectacular with many fabulous silent and live auction items (just in time for Christmas). We're also thrilled to announce that one of Canada's Premier Rhythm & Blues Band, "The Epics" www.the-epics.ca will be performing. With a reputation for moving dance floors, "The Epics" are a powerhouse band. Drummer, David MacPhail, the founder, leader and visionary of The Epics and past Whistler resident has a rich ski racing history. He travelled in Europe and South America as the boot fitter for members of Canada's National Alpine Ski Team including the Crazy Canucks. During this time a secret, balance-enhancing, in-boot technology developed by David and tested in Whistler gave some of Canada's most successful ski racers a competitive edge over the mighty European racing machine. We are very excited to have David and his band back in Whistler (even if only for a short while).
