

Youth Participation Program

vancouver 2010™

THANKS FOR YOUR INTEREST

Thanks for your interest in the Youth Participation Program. To move ahead, we ask that you visit www.vancouver2010.com or www.workopolis.com and complete an application form.

On the last page of your application form, there is a field on the bottom right side that says 'for office use only' (see image below). In this field, type in the code **YPNNGP03**. This will help identify you as being an applicant for the Youth Participation Program.

Please note that throughout the application it will note that the age for our volunteers is 19. Please disregard this age as you are applying through our Youth Participation Program, which invites those 15-19 to be a part of the Games.

Once we have received your application, your experience, skills and interests will be matched to our needs to determine appropriate roles. Should you be selected, you will be contacted to begin the process, which includes a phone screen (for some roles), a face to face interview, training and security clearance.
